

Dear Friends & Supporters of the Library,

Several of you were at our Open House last Saturday to unveil this new concept. We will be voting on this at our special Council Meeting described below. We would appreciate your input on the alternative new site and required property acquisition. Up to this point in time, the plan has been to build the new civic center at the current location of the existing library and city hall buildings.

We will hold a special City Council meeting to make a decision on the purchase of property to be used as the site of our new Civic Center, including the Library, City Hall, and a multi-purpose meeting room. We will also share information on the progress in securing grant funding and other details regarding this important project.

The meeting will take place at the Legion Hall in Maupin at 6:45 on Thursday, April 20<sup>th</sup>. If you are unable to attend, but still wish to comment or ask questions, please send an email to [maupinmayor@gmail.com](mailto:maupinmayor@gmail.com) or send your comments to City Hall.
