**CONSIDER FOR APPROVAL EMPLOYEE WAGE INCREASES.**

Mayor DuPuis acknowledged evaluations are complete and all employees have done well. The rating to amount of step increase was explained. The calculation is *average performance evaluation rate divided by 2 equals percent of wage increase*. It was acknowledged the employees at maximum range of pay only receive a cost of living increase, while other employees receive both a step and COL increase, and further acknowledged the COL increase is 1.04%.

It was moved by Councilor Kay, seconded by Councilor Knapp, and unanimously passed; the Council approves the wage increases as recommended by supervisors by performance evaluation ratings and cost of living.

On inquiry by Tamara Wimmer, it was confirmed the wage increases are covered in the city's budget.

On inquiry by Councilor Rager, Mayor DuPuis reported on conversation with Robbi Pruitt regarding the tent camping complaints and abatement. Councilor Knapp reported having sent Gary Schoenecker an email to touch base with him to address camping.

Councilor Kay reported on two rumors around town. He assured Council he has no plans to sue the City, and Attorney Sumner assured he does not currently represent Robbi Pruitt.
