STAFF REPORT. Planners Meader & Fatland summarized their Staff Report. Staff Report included window specifications were made to the Bar'ndominium & Cargo Container Draft Ordinance. Staff Report also described that our current ordinance does not specify what triggers a demolition permit and that Commission might consider adding, as State building codes no longer require demolition permits. There are only two historic buildings in The City of Maupin. The ODOT transportation specific language in the code needs to remain. Planner Meader proposed editing the Residential accessory structure text to make consistent across all 5 zones. Commission approved the changes. The Deed Restriction test was successful. City Planners and City Manager/ZOA Lewis will work on the Administrative Procedure and determining fees. Property owner Delamar was in touch with Planner Meader working on a commercial development proposal.

CONTINUATION OF STUDY SESSION ON UPDATES TO CITY ZONING

ORDINANCE TEXT: Planner Meader & Fatland began review on page 41 of the zoning text.

Revisions and Clarifications discussed included:

- 6.6 E is misplaced.
- 7.6 Item B – remove the word “newspaper”.
- 7.7 will be re-written to make the Council Hearing language consistent with the Hearing is optional policy earlier in the code.
- All the Transportation Language is specific to, and required by, ODOT
- 8.0 will be revised to reflect realistic time frames for application process. Planner Meader will amend to match Oregon Statute.
- Reminder that setting a specific date and time for Public Hearings satisfies meeting law notice requirement.
- 8.9 needs to be reworded for clarity.
- 9.0 replacing specific fines with language that covers Administrative costs in connection with specific abatement activity.
- Change City Recorder throughout the Ordinance to “Zoning Ordinance Administrator – ZOA”
- Change Appeals Hearing Procedure to match Hearing Procedure, no specific appeals procedure exists

DELIVERABLES: Planners Meader and Fatland to prepare and submit electronically to Commission and City Staff at, or prior to November meeting:
