*I understand that City of Maupin water and sewer service is charged on a flat rate and that fees are subject to change annually. I understand that if I do not pay my utility bill for two months, a late notice will be sent to me. If I do not respond to the late notice or payment is not received, a 24-hour shut off notice will be placed on my door. If I do not respond to the shut-off notice or payment is not received, services may be terminated until payment is received and fee may need to be paid in full before service is resumed. If I am renting the property or are representing the business for the owner, then the owner of the property/business will also be notified. I agree to comply with all applicable ordinances, resolutions, and policies of the City of Maupin.*
